

Use this size sheet to find out what size Amelia watch to order.

Print this on a regular 8 1/2" x 11" piece of paper.

Cut out the strip to the right and wrap it around your wrist.

The size the end lands on will be your size.

NOTE: The strip on the right should be about 8 1/4 inches (21 cm) long. In the unlikely event that an error has occurred in the printing process and it is not that size, please refer to the sizes below.
